Who better than Renault to look after your Renault van?

Let our dedicated Renault Authorised Van Service & Repair Centres take care of your Renault Van.

At each of our Evans Halshaw Renault Van Authorised Service and Repair Centres, our fully trained technicians use only the latest Renault tools and genuine Renault approved parts to service your van and perform the repairs deemed necessary to keep you safe and on the roads longer, maximising vehicle uptime for you and your business.

We pride ourselves on ensuring that you, and your vehicle receive the very highest level of care and service and by deciding to service with us also certifies your warranty will be kept valid.

Our technicians have years of training and experience in the commercial vehicle industry carrying out Manufacturer approved van servicing, MOT tests, repairs to brakes, tyres, and exhausts as well as other mechanical repairs.

We know how valuable “vehicle uptime” is to commercial vehicle operators therefore we have built our business around the basic principal of “maximizing” vehicle utilisation with a real emphasis on providing our customers a true “one stop shop” solution.

So whether your Renault needs a simple and straightforward service, or a little bit more expert care and attention, you can be assured that your vehicle is in capable hands.
