# Introduction

Vauxhall's wide range of models already offers outstanding levels of refinement, flexibility and style, while our expanding range of ecoTEC models combines excellent fuel economy with ever-lower emissions.

All of our models offer outstanding value for money too. Mokka X Active 1.4i Turbo (140PS) S/S ECOTEC FWD, for example, features our latest Start/Stop technology and is available for Nil Advance Payment.

And now we've got more fantastic deals for you too.

- **Many models available from Nil Advance Payment**
- **Parking sensors on all models – free of charge!**
- **Two-coat metallic/pearlescent/premium and brilliant paint on all models – free of charge!\***

So you see, there's never been a better time to get into a new Vauxhall.

As a founder member of the Motability Scheme Vauxhall is a major supplier of vehicles to disabled drivers and their families. Our Motability New Car Contract Hire Scheme lets you drive a brand new Vauxhall in exchange for all or part of the Higher Rate Mobility Component of the Disability Living Allowance or War Pensioners' Mobility Supplement. If you are an existing Motability customer, the change from the Disability Living Allowance (DLA) to the Personal Independence Payment (PIP) may affect your eligibility. However, the Motability Scheme will continue to lease cars to disabled people who receive the Enhanced Rate of the Mobility Component of PIP, which has the same value as the Higher Rate Mobility Component of DLA. Your nearest Motability-approved Vauxhall Retailer will be glad to advise you on the car that's right for you.

## DLA and WPMS advance payments by model

DLA	Higher Rate Mobility Component of the Disability Living Allowance.
WPMS	War Pensioners' Mobility Supplement.
F/W Rental	This is subject to change on a quarterly basis. <b>T/A (Total Amount)</b> indicates that the current allowance is commuted for the period of the contract and subsequent increases in the allowance are forfeited. Where a monetary value is shown any subsequent increase in the allowance will be paid by the DWP to the recipient.
Advance Payment	This is subject to change on a quarterly basis.
PIP	Personal Independence Payment.
AFIP	Armed Forces Independence Payment.

The facilities offered are for the hire (bailment) of goods. The Motability Contract Hire Scheme is administered by Motability Operations Limited (Registered Company No. 1373876), City Gate House, 22 Southwark Bridge Road, London, SE1 9HB. Offer valid from 1 April 2018 – 30 June 2018. To qualify you must be in receipt of the Higher Rate Mobility Component of the Disability Living Allowance or the Enhanced Rate Mobility Component of the Personal Independence Payment or War Pensioners' Mobility Supplement, which will be taken in lieu of the four weekly rental. Full written details, including terms and conditions, are available on request. All information correct at time of publication.

\* = Tri-coat premium paint is available as an additional extra-cost at full option price.

# **OnStar® – Your Guardian Angel**

OnStar protection provided for first 12 months

*Rest assured you and your car are in safe hands with your personal on board assistant, OnStar*

## Automatic Crash Response

- Automatic Crash Response activates the moment your airbags inflate
- OnStar relays your essential vehicle data to the Service Centre, including your exact location, direction of travel, and which crash sensors have been activated
- Depending on your situation the OnStar advisor will notify the emergency services immediately to set off to the site of the accident if need be

## Wi-Fi Hotspot\*

- The extra-powerful OnStar aerial provides a fast and stable internet connection
- Smartphones, laptops, tablets and more – the 4G Wi-Fi Hotspot supports up to seven devices

## Smartphone App\*

- You can lock and unlock your doors remotely and check your car's OK
- Or locate your vehicle online if you can't remember where you last parked. Once you're close to your car, flash the lights and sound the horn to make it easier to find
- Download your destination to your satellite navigation system so you are prepared for your journey
- The app also checks the oil life, tyre pressures and fuel levels too

## Stolen Vehicle Assistance

- Once you report the theft to the police, your OnStar advisor can use the report number the police give you to launch the search for your car
- OnStar provides the police with your Vauxhall's position so that it can be found
- OnStar can remotely block the ignition to prevent your car being restarted

## Vehicle Diagnostics\*\*

- You can ask OnStar to remotely check some of the key systems of your car like engine, transmission, emissions or airbags
- At your request, OnStar will send you a monthly e-mail that helps keep an eye on your car. The e-mail lists vital data such as oil life, tyre pressure and the health of some of the key vehicle systems

## Destination Download\*\*

- Use the Blue Service Button to contact your OnStar advisor. They will locate your destination and send the address to your Vauxhall's navigation system

\* = Where OnStar is standard, OnStar subscription is included within the price of the vehicle for the first year. Wi-Fi will be no charge for the first 3 months or 3GB, whichever comes sooner effective from the date the customer accepts the nominated network operator Wi-Fi Ts&Cs. 4G is subject to mobile network coverage and availability. Charges apply after the free trial period. The OnStar subscription packages could be different from the services included in the free trial package. \*\* = Crossland X / Grandland X models are not available with destination download feature or app-based tyre pressure information.
